

## ABOUT THE PROJECT

Veterans. Families. Protesters. Refugees. The Vietnam War left an indelible mark on millions of people. **You have a story to tell.** The Minnesota PBS stations invite you to share your photos, video, audio, and narrative as we gather the untold stories of the War on an interactive story wall.

**The Story Wall is a part of MINNESOTA REMEMBERS VIETNAM, a statewide initiative aimed at inspiring Minnesotans to remember and share stories, recognize bravery, express their reasons for dissent, and foster understanding around the lasting impact of war.**

The Vietnam War defined a generation. It changed the lives of people who fought in it and who fought against it. ***It's time to remember, honor, and understand.***

MINNESOTA REMEMBERS VIETNAM is a Twin Cities PBS initiative in collaboration with the MN PBS stations.

## WHAT MAKES A COMPELLING STORY?

- **MAKE IT PERSONAL**

Consider the question: How has Vietnam impacted your life? Describe how you felt - not just the facts. Share personal anecdotes and perceptions in a conversational tone. And weave in the specific details about an experience, person, place, or thing – that way, you allow others to better imagine your story.

- **KEEP IT SHORT**

We're looking for concise, personal stories that effectively highlight a meaningful experience that made a lasting impact on you during or after the Vietnam War. If you're sharing video or audio, please try to keep it to around 3 to 5 minutes in length.

- **ADD MEDIA TO YOUR STORY**

Enhance your story by adding a variety of media, including video, photos, or audio. Get creative. Letters, maps, sketches, journal pages, documents, and photos of mementos from the Vietnam-era are also great storytelling tools.

- **QUALITY**  
The best stories will include high-resolution images. Audio and video recordings should be created *inside* in a quiet environment, free of background noises and distractions.
- **TONE OF RESPECT**  
This is a safe space for everyone to share, honor, and reflect.
- **THE RULES**  
Please familiarize yourself with our [Submission Terms and Conditions](#) which you must agree to before submitting your story to us. We reserve the right not to include stories that violate our policies and that don't fit the tone of our collection.
